

Profile

Hello! I'm Dima and I enjoy creating things that live on the internet.

I am open to Job opportunities where I can learn and grow. If you have an opportunity that matches my skills and experience, then don't hesitate to contact me.

Work Experience

Junior Front-End Dev ::Start-up project

In 2022, I collaborated on a start-up project with goal to create co-working platform for Developers.

My personal responsibility was:

- Collaborated with other developers to fix bugs in existing code, and add features as needed.
- Manually tested sites in various browsers and mobile devices to ensure cross-browser compatibility and responsiveness
- Experience with version control system Git (bitbucket).

Bid-Manager ::Broadcast-Solutions GmbH

My personal responsibility was:

- Business correspondence and negotiations.
- Solutions architect for media distribution and TV production.
- Experience in tenders with RFP, RFQ, Quotation, BOM, etc.
